CRW 300 Fall arrester / Retractable rescue winch

EN 360, EN 1496/B

The CRW 300 is a combination of a retractable type fall arrester and a rescue winch. The casing is made of an aluminium alloy. The device is fitted with a galvanized steel cable. The CRW 300 features a manual lifting and lowering device and can be used independently or with selected tripods. In order to install the device on a tripod use a mounting bracket.
